

Republic of the Philippines  
Department of Health  
**OFFICE OF THE SECRETARY**

28 April 2022

**DEPARTMENT CIRCULAR**

No. 2022 - 0235

**TO: ALL CENTERS FOR HEALTH DEVELOPMENT DIRECTORS  
AND MINISTRY OF HEALTH-BANGSAMORO  
AUTONOMOUS REGION IN MUSLIM MINDANAO,  
EXECUTIVE DIRECTORS OF SPECIALTY HOSPITALS,  
CHIEFS OF MEDICAL CENTERS, DOH RETAINED  
HOSPITALS; AND ALL OTHERS CONCERNED**

**SUBJECT: Updating of Materials and Collaterals on COVID-19 Vaccination  
Across All Platforms and Vaccination Sites**

---

The COVID-19 Task Group on Demand Generation and Communications provides information, education, and communication (IEC) materials and collaterals in the interest of providing timely and accurate information to the general public. As the vaccination rollout evolves and global evidence emerges, the Task Group continually updates these materials. Ensuring that these changes are communicated locally is crucial to raise public awareness and combat misinformation.

All Centers for Health Development (CHDs) are hereby directed to update all the IEC materials in their respective platforms and areas, and replace/remove outdated materials as necessary. The updated materials may be found at [bit.ly/Resbakuna\\_2022](https://bit.ly/Resbakuna_2022). Pediatric vaccination materials may be found at [bit.ly/ResbakunaKids\\_2022](https://bit.ly/ResbakunaKids_2022), while booster related materials may be accessed at [bit.ly/RESBAKUNABoosters](https://bit.ly/RESBAKUNABoosters). Annexed to this issuance are the priority materials for circulation. CHDs must ensure that these materials are disseminated to their respective local government units.

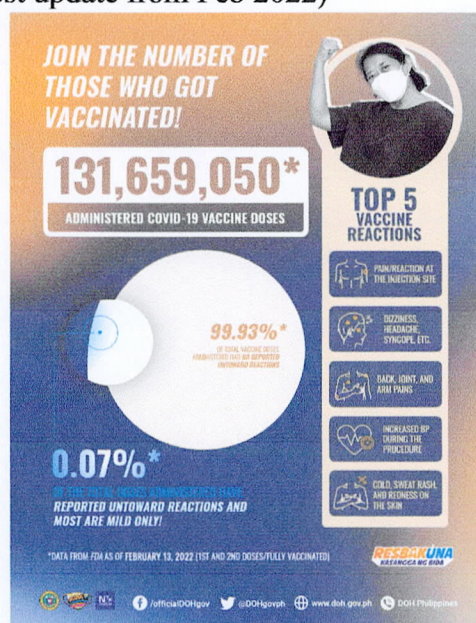

Dissemination of this information to all concerned is requested.

By Authority of the Secretary of Health:

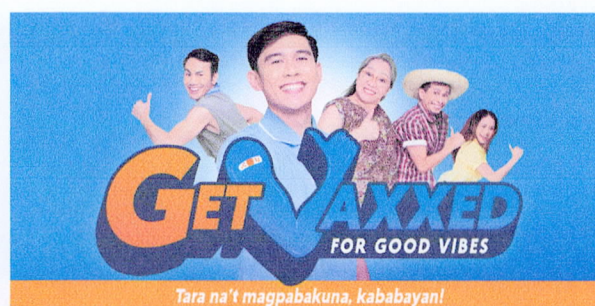

**MARIA ROSARIO S. VERGARA, MD, MPH, CESO II**  
Undersecretary of Health  
Public Health Services Team

**Annex A.**
