trainings  
institutionalized

13

guidelines developed

64

learning events  
administered

4

joint assessments and  
simulations conducted

831

SMEs trained in  
Business Continuity  
Management

15

knowledge products  
developed

## SLPP Highlights

Established multi-stakeholder country partnership to enhance coordination

Consolidated efforts of local civil society organization through the formation of the Sri Lanka Civil Society Network for Community Resilience

Established linkages between CSO, relevant national and local governments, and the private sector for enhanced preparedness

Enhanced engagement of the private sector in DRM planning, consultation meetings and forums

Expanded pool of business continuity management trainers overall and in key sectors such as agriculture and tourism

Improved disaster preparedness and response at the local level through comprehensive planning and simulation exercises

Strengthened communications between Disaster Management Centre headquarters and District Offices through technical provisions
